

During the 2016 General Legislative Session the Department was appropriated additional funding to enroll new children in the Medically Complex Children's Waiver (MCCW). With this funding the MCCW will serve approximately 70 additional children. Applications for the MCCW will be accepted during an open application period May 2nd- June 6th, 2016.

Applications will be accepted online through this webpage, via fax or mail. The application process will require parents to answer some questions about their child's medical conditions and services. ***In addition, parents will be required to provide a copy of the child's most recent history and physical by the Primary Care Provider. Please view the power point presentation available on the website to familiarize yourself with the application process prior to submitting the application.***

In order to qualify the child must:

- Be 0 through 18 years of age;
- Have 3 or more specialty physicians;
- Have involvement of 3 or more organ systems; and
- Have a disability determination by the State Medical Review Board.
